<https://github.com/adeel1232?tab=repositories>

Curiosity is my key strength and most prominent trait, which I have used to explore and master various web technologies. I am passionate about learning and building meaningful, user-friendly digital experiences using HTML, CSS, JavaScript, and React. My ability to quickly adapt to new tools and frameworks allows me to stay up to date with modern development trends. I always strive to bring fresh, creative ideas to the table and contribute to building high-quality web solutions.

## SKILLS

- React
- JavaScript
- Redux
- Routing
- Axios
- Html
- CSS
- Bootstrap
- UI/UX
- Authentication
- Next .JS

## LANGUAGE

- English
- Urdu

## EDUCATION

Intermediate (Govt College)  
(2023,2025)

## PROJECTS

### Budget App

Our mission is to help you take control of your money by making budgeting simple, clear, and effective. Whether you're tracking monthly expenses, setting savings goals, or managing multiple budgets, our app is designed to keep your financial life organized.

Built with user-friendly design and smart tools, Budget App helps you stay on top of your spending and make smarter decisions every day.

### Movie APP

At Movie Hub, we bring you the latest and greatest from the world of cinema — from blockbuster hits to hidden gems. Whether you're looking for action, comedy, drama, or romance, we've got it all in one place. Our mission is to make movie discovery fun, fast, and personalized. Watch trailers, explore cast details, and stay updated with trending releases — all with an easy-to-use interface

### PhoneDirectory

PhoneDirectory is a smart and simple contact management system designed to help you organize, store, and access contact information with ease.

Built for speed and usability, PhoneDirectory-Fugy allows you to quickly add, edit, delete, and search contacts—all in one place. Whether for personal use or small teams, our goal is to make managing contacts effortless and efficient.
